Argument in favor/against (circle one) of proposition # 59.

Include text of summary argument here (50 word maximum):

California's government—all three branches, statewide and local—should be as transparent as possible to the public it asks for funding, power and trust. But too often officials and judges choose secrecy over disclosure.

Proposition 59 would make transparency a ~~constitutional~~ constitutional duty owed to the people, to whom officials are accountable.

- ELIMINATES VOTER CHOICE in General Elections
- UNDERCUTS opportunities for WOMEN and MINORITY candidates
- Makes the Legislature LESS ACCOUNTABLE
